CALI[™]2

The Future of Coffee, Today

Where Ease Meets the
Art of Everyday Coffee

Modern Design with **Everyday Ease**

We are proud to introduce CALI 2, a machine engineered for high performance and exceptional consistency, all in a design that makes every interaction simple.

Designed for both operators and consumers, CALI 2 blends streamlined functionality with effortless usability. Every feature is crafted to support consistent performance, intuitive interaction, and maximum operational uptime, making it the ideal choice for businesses that value efficiency, simplicity, and a premium coffee experience.

- **Designed to Stand Out:** A sleek, modern door design combined with a generous, LED-illuminated serving area creates a striking coffee-bar presence that elevates any environment.
- **Premium & Fast Drink Selection:** Large touch-capacitive buttons provide up to 30 direct selections, while the bright 5" HD colour display showcases product information clearly for a smooth, engaging user journey.
- **Exceptional Drink Quality:** Powered by advanced technology and backed by expert engineering, CALI 2 delivers consistently high-quality, barista-style beverages with precision and care.
- **Engineered for Maximum Uptime:** CALI2 is purpose-built to keep your operation running at peak performance. Quick-release components and a built-in hot-water spray head enable fast, streamlined cleaning. Every element is designed for long-lasting durability to support uninterrupted service and enhance day-to-day efficiency.
